SECTION IV — GENERAL INFORMATION

Project title and description (200 words or less), please include time frame.

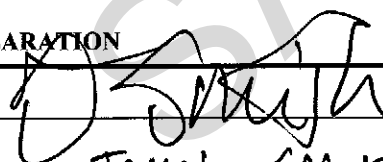

I will create 6 acrylic mixed media paintings that will be exhibited as part of the Columbia Basin Culture Tour (CBC). The series entitled 'Focused' will combine photographic elements with a painterly landscape style. I will register my home studio in Vallican as a venue for the CBC Tour happening on August 10/11 2014. I will begin painting in March and have all 6 paintings completed by July.

A short biography describing your experience as related to your intended project.

My background is in commercial photography and I am a self taught painter. I am excited about introducing photographic aspects to my paintings in this new body of work. I have shown my paintings as part of the Nelson and Castlegar Artwalks and at the Frog Peak Cafe. This will be my first time taking part in the CBC Tour.
